North Carolina Agricultural & Technical State University

The North Carolina Agricultural and Technical State University has occupied a unique role in efforts to provide higher education for citizens of the state since 1891. The college operated in Raleigh until it moved to Greensboro in 1893 after that city donated \$11,000 in cash and 14 acres of land for a campus. The original course of students at A&T included language and literature, sciences, mathematics, business, agriculture and military science. Female students were a part of the college from 1893 until 1901, but were not enrolled again until 1928. The presidents and chancellors of A&T have been Dr. John O. Crosby (1892-1896), Dr. James B. Dudley (1896-1925), Dr. Ferdinand D. Bluford (1925-1955), Dr. Warmoth T. Gibbs (1956-1960), Dr. Samuel D. Proctor (1960-1964), Dr. Lewis C. Dowdy (1964-1980) and Dr. Edward B. Fort (1981-Present).

GRADUATION!—GRADUATION!

SPEAKER FOR SUMMER FRESHMEN ORIENTATION JULY 8, 1983

It is gratifying to note that such preparation is made for the entering freshman. In any vital organization, change and modification are constantly needed to meet the demands of a dynamic society. This phase of the process might appear to be boring to you as students, but educators need to know as much as they can about the academic strengths and weaknesses of the students with whom they deal. Similarly, it is important to gain knowledge about student motivations, special student needs, student backgrounds, and student expectations of the University.

You will soon learn that this great University is organized to serve specific functions. Not only do we classify students, but we move them upward from a point of admission, to a point of departure. The University has over a period of 90 years, increased its efforts to reach the goal of full educational opportunity for all students. In spite of widespread opportunities for and improvements in higher education, this Historically Black Institution continues to

exist for the LIFE, LOVE, AND LIBERTY involving all—without discriminating against applicants—based on race, creed, color, national origin, religion, sex, age, or the handicapped.

In evaluating the educational attainments of blacks, one must not only look at enrollment rates but also at completion rates, as well as the quality of the educational experience. We can no longer assert that each individual has a fixed intelligence—that measurable IQ necessarily remains constant throughout life, and that little can be done to improve the capacity of a student to learn. We have grossly underestimated the potential ability of human beings to learn and to improve their capacity to learn. Not to be overlooked is the fact that we in the University are already being pressed by students who have had the benefit of new approaches, new methods, and new technologies in their high schools. They are coming better prepared with sharper intellects, with greater skills, with better

developed capacities for learning.

Students, you will face many pressures, but you must realize that you can only meet your campus pressures in a series of tentative and impermanent approximations. You must realize that your campus pressures hold nothing more precious than the sacred process by which you stretch your minds and hearts. **OUR** pressures must utilize recognized channels for change—change in attitude, concepts, and approaches. These are required at all levels to turn the wheel for progress. Even the present Student Government Association is attempting to “**UTILIZE NEW STRATEGIES FOR CHANGING TIMES.**”

You may be wondering—what has made this wheel rotate continuously over the years? The answer is clear—There exists, a tremendous centripetal force at the nucleus of the wheel that keeps it in motion. This nucleus is composed of none other than “**AGGIE SPIRIT AND AGGIE PRIDE.**”

SPEAKER FOR SUMMER FRESHMEN ORIENTATION JULY 15, 1983

THE CHALLENGE OF A FRESHMAN CLASS, IMPLIES PARTICIPATION BY ALL PEOPLE IN MANY CONSTRUCTIVE ACTIVITIES. Within this University, the strengthening of institutional resources clearly calls for both administrative and scholarly involvement.

The whole student is admitted to college, and the University accepts the responsibility for knowing and offering opportunity for the development of each aspect of your concerns. In the first place, your entire personality, (MIND, TEMPERAMENT, EMOTIONAL AND PHYSICAL MAKE-UP, AND ETHICAL ATTITUDE, PRESENT OPPORTUNITIES FOR EDUCATION.)

This principle accounts for the development of social events, of sports both intercollegiate and intramural, the encouragement of the religious activities, and our liberal attitude toward all sorts of organizations and movements. Our age has been characterized as being the first in history to recognize the practical possibility of having all people throughout the world share in the fruits of our large and diversified educational program.

Each of you should be commended for selecting North Carolina Agricultural And Technical State University as your four years challenge. I share with each of you, the majesty of this moment. For each moment in history is a fleeting time, precious, and unique. The challenge—your ability to explore, to change, to grow, and ceaselessly to adapt to new knowledge. The

University personnel knows that college life represents an opportunity to challenge effectively and completely the aspirations of students. The ultimate challenge, however, lies not in any remedial adjustment but, instead—in the facilitation of competence so as to enable the new freshman to cope successfully with new experiences and to sustain and enhance their sense of efficacy and self-esteem.

Given the complexity of our University, more and more it is affording opportunities for the development of insight and capacity for enjoyment of art, not only by the Departments of Music and the Fine Arts, Literature, Drama, and the Lyceum Series, but by the increasing beauty of its landscape and architecture. Actually, there is no reason for any of you to become bored, regardless of economic circumstances. All the great works of literature may be obtained from our Library. The best in painting and sculpture can be seen in our Art Gallery and African Heritage Center. The finest music can be heard on our Radio Station WNAA and the finest drama can be seen on our stage of Paul Robeson Theater.

AS FRESHMEN STUDENTS YOU MUST BE AWARE OF THOSE THINGS WHICH TEND TO FRAGMENT AND UNBALANCE YOUR EFFORT.

AS FRESHMEN STUDENTS YOU MUST SEEK TO DETERMINE YOUR OWN PRIORITIES AND CHART YOUR OWN COURSE OF EXCELLENCE. THE DIMENSIONS OF EDUCATION MUST BE GIVEN CONCERTED AND SUFFICIENTLY

HIGH LEVEL ATTENTION.

AS FRESHMEN STUDENTS YOU MUST COPE WITH A NUMBER OF IMPLICIT, UNSPECIFIED TASKS IMPOSED BY THE SOCIAL AND ACADEMIC COMPOSITION OF THE UNIVERSITY. THERE ARE MANY UNSTATED PERSONAL TASKS THAT WILL DERIVE FROM YOUR ALTERED CIRCUMSTANCES AWAY FROM HOME.

FURTHER, YOU MUST MASTER NEW CONCEPTS IN SUBJECT MATTERS, REEVALUATE YOUR NEWTONIAN VIEW OF MATTER, REASSESS IN VARYING DEGREES YOUR PHILOSOPHY, YOUR POLITICS, AND YOUR RELIGION.

THE PERSONAL TEMPO OF YOUR LIFE IS SUBJECT TO MAJOR REVISIONS. THERE ARE DEADLINES TO BE MET, AND LITTLE OPPORTUNITY FOR REFLECTION OR REPOSE.

YOU WILL NOT HAVE TO SEARCH FOR PURPOSE AND EMANCIPATION. YOU LIKE OTHERS, WILL NOT ONLY LOOK TO A&T TO TRANSFORM STUDENTS IN ATTENDANCE, BUT ALSO TO PLAY KEY ROLES IN AN EFFORT TO UPLIFT THE POPULATION AT LARGE.

NOW THEREFORE BE IT FINALLY RESOLVED, THE TRAIN IS COMING, HERE IS YOUR TICKET—IF YOU WANT TO RIDE—YOU'D BETTER GET ON BOARD.

The 1st Baseball team for Coach Mel Groomes at A&T. He served as coach for Roland Eller and Pop Taylor during their Senior year (1956). Eller was an outstanding catcher—his size did not hinder his performances. He was an excellent catcher in all phases of Baseball—he could hit—And throw. Coach Groomes spoke highly about each player and stated "What A Way to Reflect."

"AN AGGIE CELEBRATION AT ITS BEST"

A SPECIAL INVITATION TO HOMECOMING

Dear Aggies:

An A&T Aggie Homecoming is a unique family experience in entertaining, uplifting and exhilarating. The opportunity to visit your alma mater and the chance to converse with classmates and friends provide the returning Aggies with an excitement only matched in cheering the football team on to victory.

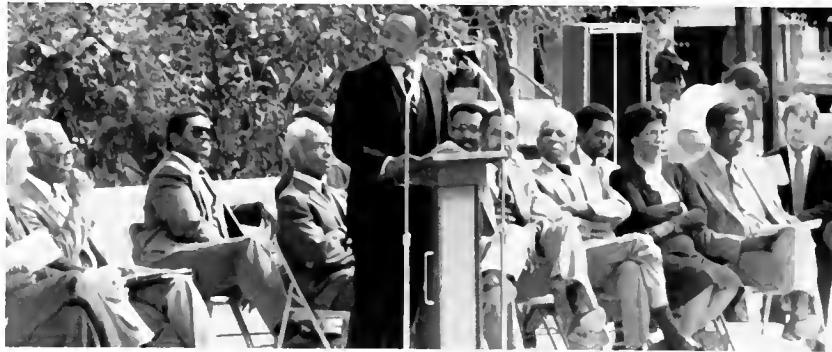

Many special treats lie in store when an alumnus or alumna comes to Greensboro. The growth of the campus, the beauty of the buildings and the splendor of golden memories refresh the spirit to once again motivate us to spread the "Aggie trophies from Dare to Cherokee."

May I encourage and personally invite you to join my family and me at our October 1 Homecoming. The climate has been created for an extraordinary adventure in pride and joy as we celebrate our return to A&T. The leaves on the trees will have begun to turn fall brown and the coolness of the air will yield genuine gridiron competition.

Having renewed an ancient series with rival Johnson C. Smith, Aggies throughout America and in foreign lands have purchased tickets to reside in Greensboro that weekend. And after the game, your National Alumni Association has arranged a fantastic homecoming ball at the Holiday Inn/Four Seans—a truly gala event ranking with the ACC Tournament and the GGO in quality and excitement.

The stage is set, and we invite you to plan your schedule to attend Homecoming 1983.

John W. Maye, Jr.

*THEME: "Black Colleges - - - The
Light To Knowledge"*

"FROM DARE TO CHEROKEE"

As we celebrate this coronation, participation as a quantitative base is one of the more eloquent descriptions of the full meaning of exuberant aggies—"a network of pride, from dare to cherokee." This theme treats upon the action of Aggies. It is a theme not in itself new, yet here, so presented as to give it a new significance—revealing springs of action as a calculating approach to reality that makes allowance for humane sentiments and moral judgements—showing the important bearing of certain movements, and bringing into stronger light beautiful features of students and other members of the Aggie Family. Thus, the scenes have a vividness and importance that tend to make new and lasting impressions. Exuberant Aggies—A Network of Pride from Dare to Cherokee. Utilizing an excerpt from our beloved Alma Mater which identifies the location of our University.

Homecoming itself brings to our campus unique feelings of nostalgia for our alumni, faculty and friends as they reflect on exciting days of yore. We pay tribute to them for keeping this meaningful tradition alive and glowing.

Today, the current student body is establishing its own experience which will become a precious memory as its members progress toward graduation and beyond.

EXUBERANT AGGIES A NETWORK OF PRIDE

In our Hearts, and High on a Pinnacle above many twinkling stars during the 1982-83 school year, was Miss Robin Davis. We placed her there because of her cooperativeness, her ability to get along with others and her willingness to be of service to others. We will always remember her as a "Rare Essence—In Aggiland." Our outgoing queen.

On November 17, 1911, sacred to all Omega Men, the Omega Psi Phi Fraternity was born on the campus of Howard University. Founders of this first greek letter Black fraternity on a Black college campus were Edgar A. Love, Oscar J. Cooper, Frank Coleman, and Ernest E. Just. The fraternity was founded with the belief that "Friendship is essential to the soul," thus this became the fraternity motto. The cornerstones of Omega Psi Phi Fraternity, Inc. are its four cardinal principles—Manhood, Scholarship, Perseverance, and Uplift. Since its founding, Omega has grown from the Mother Chapter, Alpha, at Howard to some three hundred graduate and undergraduate chapters throughout the United States, and six international chapters which collectively claim nearly 60,000 Omega men.

UTILIZING NEW STRATEGIES FOR CHANGING TIMES . . .

EACH GENERATION OF AGGIES—ENJOYS A VAST HOARD OF BLESSINGS—(AGGIE SPIRIT . . . AND PRIDE). WITH FRESH ACQUISITIONS, THESE GIFTS ARE TRANSMITTED TO ALL.

ON BEHALF OF THE STUDENT BODY, OUR SHARED ENTERPRISE—WITH DETERMINATION TO SET THE PACE THROUGH ACADEMICS, CAMPUS LEADERSHIP POSITIONS, IN ATHLETICS, AND OTHER EXTRA-CLASS ACTIVITIES, WE MOVE FORWARD! WE APPRECIATE THE ALUMNI ASSOCIATION'S EFFORTS TO WORK WITH ADMINISTRATION, FACULTY, AND STAFF. EACH HAS GIVEN US—NOT THE DESTINY WHICH OFFERS THE CUP OF DESPAIR, BUT THE CHALICE OF OPPORTUNITY. WE WILL SEIZE IT NOT IN FEAR, BUT IN GLADNESS.

WE WILL GO FORWARD IN PURSUING OUR GOALS WHILE ENHANCING THE QUALITY OF LIFE. WE WILL AND MUST PRESS URGENTLY FORWARD, AND STAND STEADFAST IN OUR PURPOSE TOGETHER.

THE CURRENT STUDENT BODY IS HONORED TO SHARE OUR MISSION STATEMENT TO ENSURE THAT THIS UNIQUE BELOVED PLACE (NORTH CAROLINA AGRICULTURAL AND TECHNICAL STATE UNIVERSITY)—CONTINUES TO BE A STALWART MODEL OF HIGHER EDUCATION. WE THANK YOU FOR YOUR POSITIVE CONTRIBUTIONS OF ALL KINDS, FOR THEY WILL BE MOLDED IN THE CRUCIBLE OF TIMES.

A young energetic Man—On the Move!

We must realize that we can only meet our campus pressures in a series of tentative and impermanent approximations. We must realize that our campus pressures hold nothing more precious than the sacred process by which we stretch our minds and our hearts. Our pressures must utilize recognized channels for change—change in attitude, concepts, and approaches, must be required at all levels to turn the wheel of progress.

THE EDITOR'S REFLECTIONS

IN A TIME OF TURBULENT CHANGE, THE AYANTEE STAFF ONCE AGAIN CAPTURED GLIMPSES FOR DISCUSSING AND PRINTING. BECAUSE OF THE THEME AND BEING FACED WITH NEW TASKS OF FORMIDABLE SCOPE AND MAGNITUDE IN ORGANIZATIONAL AFFAIRS, CHALLENGES BY THE EDUCATIONAL OPPORTUNITIES AND THE STAKES IN HUMAN CONCERNS, WE WERE FORCED TO MAKE SOME HISTORIC CHOICES FOR AYANTEE, 1983-84.

WITHIN EACH DAY'S WORK, THE STRENGTHENING OF PUBLISHING THE AYANTEE CLEARLY CALLED FOR BOTH ADMINISTRATIVE AND SCHOLARLY INVOLVEMENT.

DESPITE OUR CALLOW OPTIMISM, OUR ADVISER, MS. DOROTHY I. BAILEY OFFERED CONSTRUCTIVE ADVICE, GAVE US THE GO AHEAD SIGNAL TO PROCEED WITH OUR WORK, AND SHE MOVED RIGHT ALONG WITH US FROM START TO FINISH. FOR THIS, WE GIVE GLOBAL THANKS. SINGLE STUDENTS AND ORGANIZATIONS PARTICIPATED IN THE PROCESS OF COMPLETING THE PAGES FOR PUBLICATION THROUGH CONTRIBUTING TO THE DETERMINATION AND IMPLEMENTATION OF THE EDUCATIONAL SECTOR AND SOCIAL PROGRAM AFFAIRS.

TO ALL OF THE STUDENTS AT THIS UNIVERSITY, WE HOPE THAT EACH PAGE WILL HOLD PLEASANT MEMORIES AS YOU REFLECT IN DAYS TO COME. WE HAVE ATTEMPTED TO CAPTURE EVENTS YOU WILL CHERISH. MOST OF ALL WE HAVE TRIED TO CAPTURE YOU, THE STUDENTS, FOR YOU ARE THE AYANTEE.

THE NORTH CAROLINA ASSOCIATION OF BLACK STUDENT GOVERNMENT

The North Carolina Association of Black Student Governments (NCABSG) met in Elizabeth City on the Campus of Elizabeth City State University, February 4-6, 1984. Several important issues were discussed. Some of the issues were related to the State coordination of massive Voter Registration, the campaigning of the Rev. Jesse Louis Jackson, and the critical state of Fisk University, all of which were of extreme importance. The meeting was very successful and we were formally welcomed to Elizabeth City State University by the New Chancellor who offered very good advise.

"I HAVE A DREAM"

I have a dream that my four little children will one day live in a nation where they will not be judged by the color of their skin but by the content of their character

I have a dream today.
I have a dream that one day

little black boys and black girls will be able to join hands with little white boys and white girls and walk together as sisters and brothers . . .

When we let freedom ring, when we let it ring from every village and every hamlet, from every state and every city, we will be able to speed up that day when all God's children, black men and white men, Jews and Gentiles, Protestants and Catholics, will be able to join hands and sing in the words of that Old Negro spiritual, "Free at last! Free at last! Thank God almighty, we are free at last!"

GLADYS DRAKE JEFFRIES, a life time resident of Greensboro, N. C., was the eldest child of the late Mr. Reuben Drake and Mrs. Ada Briggs Drake. She departed this life suddenly on Thursday Morning, January 5, 1984.

She attended the public schools of Greensboro and was a graduate of Dudley High School and N. C. A&T State University.

Her entire work career was spent as an employee of A & T State University in the Registrars and Admissions Offices.

She was a member of Saint Matthews United Methodist Church, the Alpha-Kappa-Alpha Sorority and the Seidal's Social Club.

She was a warm and loving Mother, a devoted Sister and a sincere and loyal friend to those who surrounded her. Her interest and devotion to A&T State University was unending.

*Pushing the clods of earth aside,
Leaving the dark where foul things hide,
Spreading its leaves to the summer sun,
Bondage ended freedom won;
So let my soul like the Ivy be;
Rise, for the sunshine calls for thee.*

STUDENT LIFE

THE ALMA MATER

Dear A. & T., Dear A. & T.,
A monument indeed!
Around thy base with grateful hearts
Behold thy students kneel.
We Bless the power that gave thee
birth
To help us in our need.
We'll ever strive while here on earth
All loyalty to yield.

Chorus

With joy, with joy, dear A. & T.
Thy students turn from thee.
To spread their trophies year by year
From Dare to Cherokee.

II

Dear A. & T., Dear A. & T.
The signet thou shalt be,
Set by our own great
Commonwealth,
Proud boaster of the free;
She'd have the record of her worth
On granite not inscribed,
Nay, Let the children of her birth
Proclaim it by their lives.

III

Dear A. & T., Dear A. & T.
Hence forth our aim shall be,
By precept wise and deeds more sure
To bless the State through thee.
The arts of industry to yield
Against the idle foe,
A harvest rich from ripened fields
Of what thy students sow.

SPORTS HALL OF FAME

Cornell Gordon played quarterback at A&T and was All-CIAA in 1964 and 1965. He holds single-game school records of 375 yards passing and 450 yards total offense.

Gordon had a seven-year pro career. He signed with the New York Jets and became a cornerback, starting on the team that upset the heavily-favored Colts 16-7 in the 1969 Super Bowl.

After four years with the Jets, Gordon played three seasons with the Denver Broncos. Gordon was an assistant coach six years at Norfolk State and now is head coach at Manor High in Portsmouth, VA.

Chester Bradley, who lives in Greensboro, starred four years on Aggie football teams. Enrolling at A&T in 1936, Bradley first made the team as a walk-on. He started three seasons as fullback and was converted to tackle as a senior.

Bradley went on to a successful coaching career in both football and basketball. He became head football coach at Dudley High School and led the Panthers to a state title in 1952. In 14 years at Dudley, Bradley compiled a record of 90-33, including four Western championships. In 1965, he was promoted to assistant principal and held that position until his retirement in 1979.

A native of Newport News, VA, Ernest Buggs, participated on Aggie football and track teams. He was a two-way starter in football at defensive end and tight end.

As a senior, Buggs was the recipient of the Gibson Award, then given to the A&T athlete with the highest academic average.

Buggs is a 1965 graduate of A&T who now lives in Virginia Beach where he is territory sales representative for Shell Oil Company.

James Evans, who graduated from A&T in 1942, starred in both basketball and baseball.

In basketball he was a highly-regarded forward and was an All-American as a sophomore. A native of Columbus, Ohio, Evans was a pitcher, first baseman and center fielder in baseball. After graduation, he became a semi-pro manager in the Carolina League. He later managed the Wilmington Red Sox and the Raleigh Braves.

Walter Grandy was nicknamed Sparky because he was regarded as a sparkplug when he played second base for the A&T baseball team. He lettered four seasons and finished with a .310 batting average with 25 home runs.

Grandy graduated in 1925 and played semi-pro baseball with the Columbus Black Sox, then became a high school baseball and basketball coach at Richard B. Harrison High School in Selma, NC. Before his retirement in 1969, Grandy served as the athletic business manager at Durham Hillside High School for 26 years.

Howard Rouse played on two CIAA baseball championship teams in 1950 and 1951, earning All-CIAA honors. A right fielder, Rouse never batted under .280 during his career.

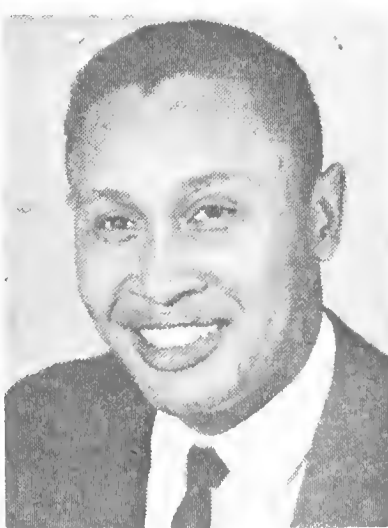

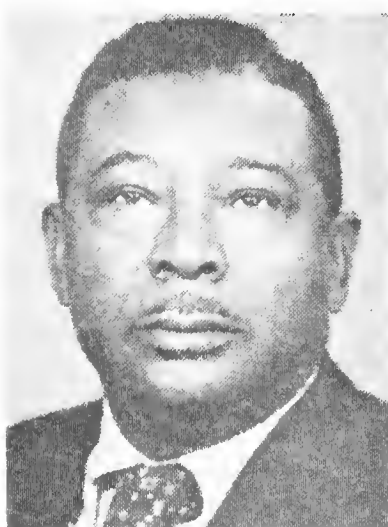

Rouse played in the Negro American League with the Philadelphia Stars, then signed a contract with the Milwaukee Braves Organization as a catcher. He twice made the Western League All-Star team and was once credited with an unassisted triple play.

A native of LaGrange, Rouse is now driver education instructor at Madison-Mayodan High School.

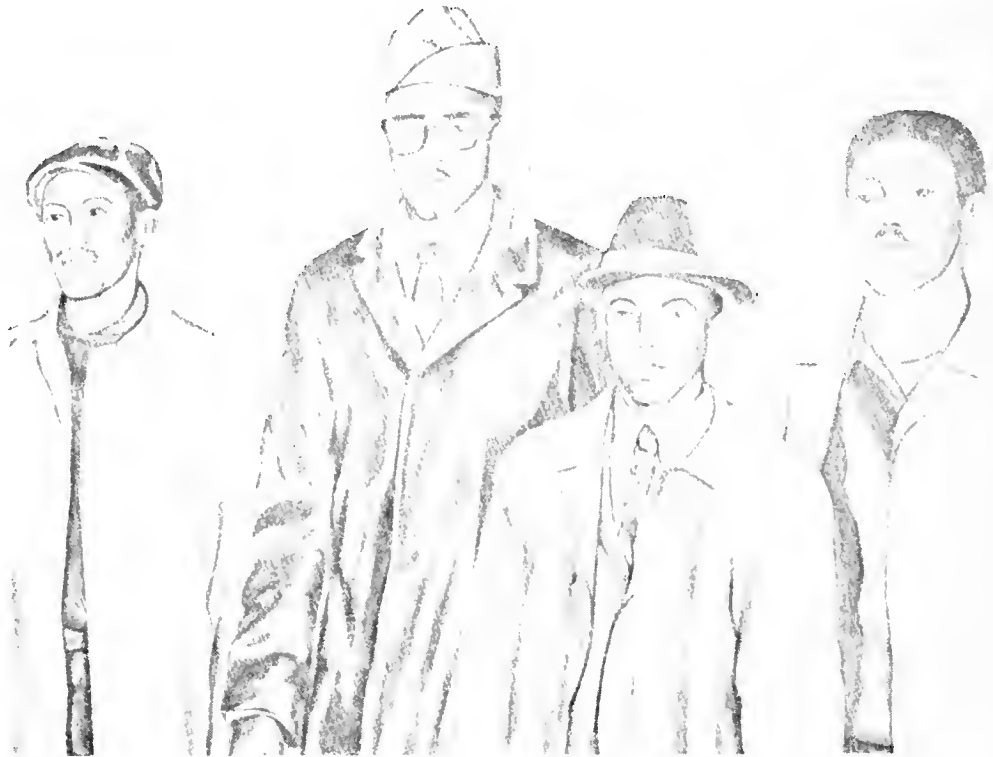

Matthew Wingate excelled in baseball at A&T. He played on championship teams in 1947 and 1948 and had a career batting average of .342. He was mainly considered an outfielder, but also played second base.

Wingate was a semi-pro manager for three years with a Charlotte-based squad. He then coached at now-defunct Second Ward High School in Charlotte, where his teams captured one state and two district titles. Wingate retired two years ago after serving as industrial coordinator for the Charlotte-Mecklenburg County School System.
